Durham Meadoway

SvN ARUP

Ammenities and Programming

Amenities and Programming
The Durham Meadoway can host an amazing variety of community amenities, destinations, events, and other features. Presented here are four focal points that are great locations for new amenities that build on an existing community attraction and that can connect to existing and future trails.

Route Options

Heber Down, looking east

Woodview Ave, looking west

Pickering Focal Point
- Part of a potential recreational loop with connections to
  - Seaton Trail
  - Pickering Dog Park
  - Pickering Park
  - Beverly Morgan Park and Pine Ridge Secondary School
  - Public Art @ Creek Crossing

Ajax Focal Point
- Expanded opportunities for Paulson Park

Amaretto Park, looking west

Please Tell Us What You Think
Look at the images on the display boards for "Examples" and "Placemaking." Which ones do you think would be good for the Durham Meadowy?

Write the number of the image on a sticky dot and place it on the map where you think it could go.

Amaretto Park, looking east

Pickering Dog Park, looking west

Anderson Street, looking east

Whitby Focal Point
- Expanded opportunities for a Whitby Beach Park
- Potential connection to planned trails along Lynde Creek

Please Tell Us What You Think
Look at the images on the display boards for "Examples" and "Placemaking." Which ones do you think would be good for the Durham Meadowy?
Write the number of the image on a sticky dot and place it on the map where you think it could go

If you have any more ideas, please write them on the sticky notes and post them here, or anywhere on the map!
