

Town of Ajax Ajax Water Supply Plant

Notification of Archaeological Field Study

Works Department

August 21, 2025

Public Notice

The Regional Municipality of Durham Works Department will be completing a planned Stage 2 Archaeological Assessment (AA) field study on the lands surrounding the Ajax Water Supply Plant (WSP) (75 Lake Driveway East). Planned work includes digging test pits in the meadow/park lands to the east and west of the Ajax WSP, as shown in the graphic below. The area will be restored as the work progresses, no test pits will remain opened for a prolonged period of time or after each site day.

Schedule

The Stage 2 AA work is tentatively scheduled for August 25, 2025, to September 5, 2025. Work will take place during daytime hours. Unfavourable weather conditions may impact the work schedule.

Closures and restrictions

There will be **no** closures to nearby trails or walkways as part of this work. There will be no restrictions to the meadow/park lands during this work, but we do advise the public to keep appropriate distance from the team members in high visibility safety vests completing the work so that they may complete their work effectively.

The work is being completed as part of Ajax WSP Expansion Project and will provide findings to support the planned expansion. Further information and future updates will be posted on durham.ca/AjaxWSPproject.
