Ajax Water Supply Plant

Notification of Topographic Field Survey and Subsurface Utility Engineering Field Survey

Works Department

July 24, 2026

Public Notice

The Regional Municipality of Durham Works Department will be undertaking further topographic field survey and a subsurface utility engineering (SUE) field survey on the lands surrounding the Ajax Water Supply Plant (WSP) (75 Lake Driveway East). Planned work includes the use of non-intrusive survey equipment in the meadow/parklands surrounding the Ajax WSP and Lake Driveway East, including the road right-of-way up to the property line and sidewalks. Refer to Figure 1 below for the field survey area. The surveys will not involve any landscape alterations or destructive testing methods.

Schedule

The field surveys are tentatively scheduled for August 03, 2026, to September 18, 2026. Work will take place during daytime hours. Unfavourable weather conditions may impact the work schedule.

Closures and restrictions

There will be **no** closures to nearby trails or walkways as part of this work. There will be no restrictions to the use of meadow/park lands during this work. The public is advised to keep appropriate distance from the team members in high visibility safety vests completing the work so that they may complete their work effectively.
