

Ajax Water Supply Plant Expansion Project

Notice of Class Environmental Assessment Addendum Public Information Centre

Works Department

March 11, 2026

Public Notice

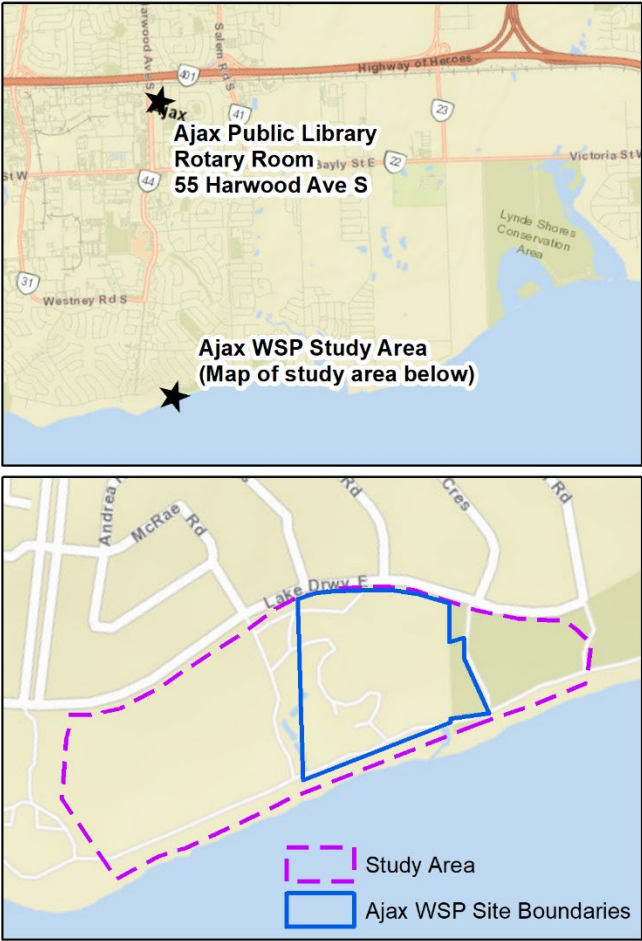

The Region of Durham is holding a Public Information Centre (PIC) as part of a Class Environmental Assessment (Class EA) Addendum for the expansion of the Ajax Water Supply Plant (WSP) in the Town of Ajax.

The Region of Durham's Official Plan projects significant population growth into 2051. As a result, the Ajax WSP must expand to accommodate an increase in water demand. Through a Class EA Addendum process, the Region will be considering and evaluating suitable alternatives for expanding the existing Ajax WSP facility.

A PIC is an opportunity for those interested to meet with the project team and learn more about the scope of the Ajax WSP expansion project, class EA Addendum process, existing conditions of the site, findings to date and next steps. The PIC will be conducted in an open house (drop-in) format, with a presentation from the Project Team and display material available for review. We encourage you to attend the PIC and provide your input on decisions that will move the study forward.

Public Information Centre

Date: Tuesday, March 24
Panel Board Viewing & Questions: 6 to 8 p.m.
Presentation: 6:15 to 6:45 p.m.
Location: Ajax Public Library, Rotary Room
55 Harwood Ave. S. Ajax, ON L1S 2H8

Note: The outlined Study Area covers the area where existing studies were undertaken and where additional studies may be needed but does not reflect the extent to which the Ajax WSP will be expanded.

Further project information is available at durham.ca/AjaxWSPproject.

If you have any questions or wish to be added to the project mailing list, please contact one of the following project team members:
